Estes Park Visitor Center construction reroutes pedestrian traffic

Work is underway to repair two structural columns in the Estes Park Visitor Center, 500 Big Thompson Ave. Visitor services including the information desk, call center, informational displays and brochures remain available during construction, which is expected to last two to three weeks. Throughout the project, the Visitor Center's primary north entrance, facing Big Thompson Avenue, will be used for construction activity and contractor access. This entrance is closed to the public and visitors should avoid the area, which is blocked off and signed. Visitors may enter through the south doors facing the Big Thompson River. The public restrooms remain accessible at the south entrance.

The Estes Park Visitor Center helps to promote Estes Park area events, activities and businesses. Currently, the center is open Monday through Saturday from 9 a.m. until 5 p.m. and Sunday from 10 a.m. until 4 p.m. For more information on the Visitor Center, please call 970-577-9900 or visit www.estes.org/visitorservices. To receive Town news and/or meeting agendas in your email inbox, please email townadmin@estes.org.
